

Matthew

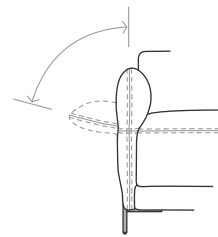

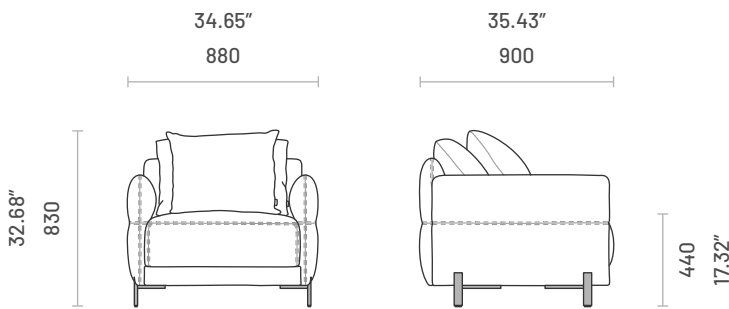

SOFA

A minimalistic yet distinctive sofa is the best way to describe Matthew sofa. With a seam work that connects every element of this piece, Matthew is available in different sizes and configurations, including a chaise longue version and even an armchair option. The highlight of Matthew sofa is the incorporated silent mechanism that allows you to fold the armrests and backrest at the angle that is most comfortable to you. With simple metallic feet, Matthew sofa is an innovative design that will enhance your design project.
