

SkLO

Peak

PENDANT

The Peak Pendant is a lit shape of handblown glass supported beneath a small conical form. The cone can be installed in either the pointing-up or pointing-down position. The ceiling canopy is an identical conical shape, mirroring the form of the pendant itself. The glass diffusers are available in two shapes and both "dipped" glass, featuring the SkLO double-dipped flame-polished mouth, and "textured" glass, featuring a soft, frosted finish and subtle sculpted vertical ridges. The Peak Pendant offers numerous possible configurations and personalities. It is not just one single pendant design, but many.

UL listed suitable for dry and damp locations (US & Canada)

Socket 120V G9 7W Max

LED bulb included

Requires recessed electrical box for installation

Standard canopy does NOT accommodate sloped ceilings or swagging of this light. Other canopy options are available at an additional cost.

Visit the Accessories page on our website to see available canopy options and review compatibility
